SUBJECT: LATVIA SUPPORTS WORKING THROUGH ICAO ON AVIATION EMISSIONS

REF: STATE 190254

11. (U) Pol/Econ Off met with Arnis Muiznieks, Latvian Transportation Ministry's Aviation Department Director, on December 4 to deliver reftel's non-paper. Muiznieks stated that the GOL was still finalizing its position regarding the EU Commission's proposal to include aviation emissions from non-EU carriers in the EU Emissions Trading Scheme, but that the Latvians are in favor of working through the International Civil Aviation Organization, rather than the EU developing a policy unilaterally.
